CREATIVITY GUIDE

WHAT IS A HAIKU?

A haiku is a short poem that has three lines.

**LITTLE FLOWER BUDS
EVEN IF NO ONE CAN SEE
OPEN ANYWAY**

1

The first line of a haiku has five syllables.

2

The second line has seven syllables.

3

The third line has five syllables.

FINDING SYLLABLES

Put your hand under your chin. Say a word, then count the number of times your chin moves down. That's how many syllables the word has!

Cut apart the words below. Put them together to create your own haiku poem!

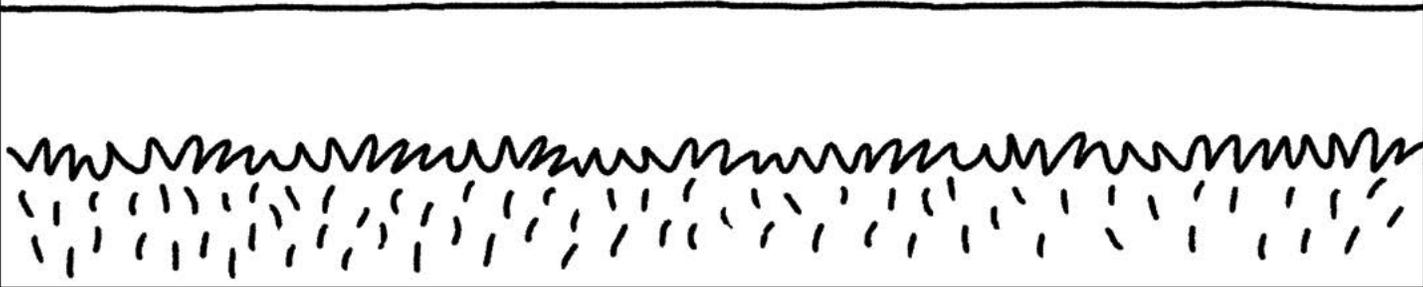

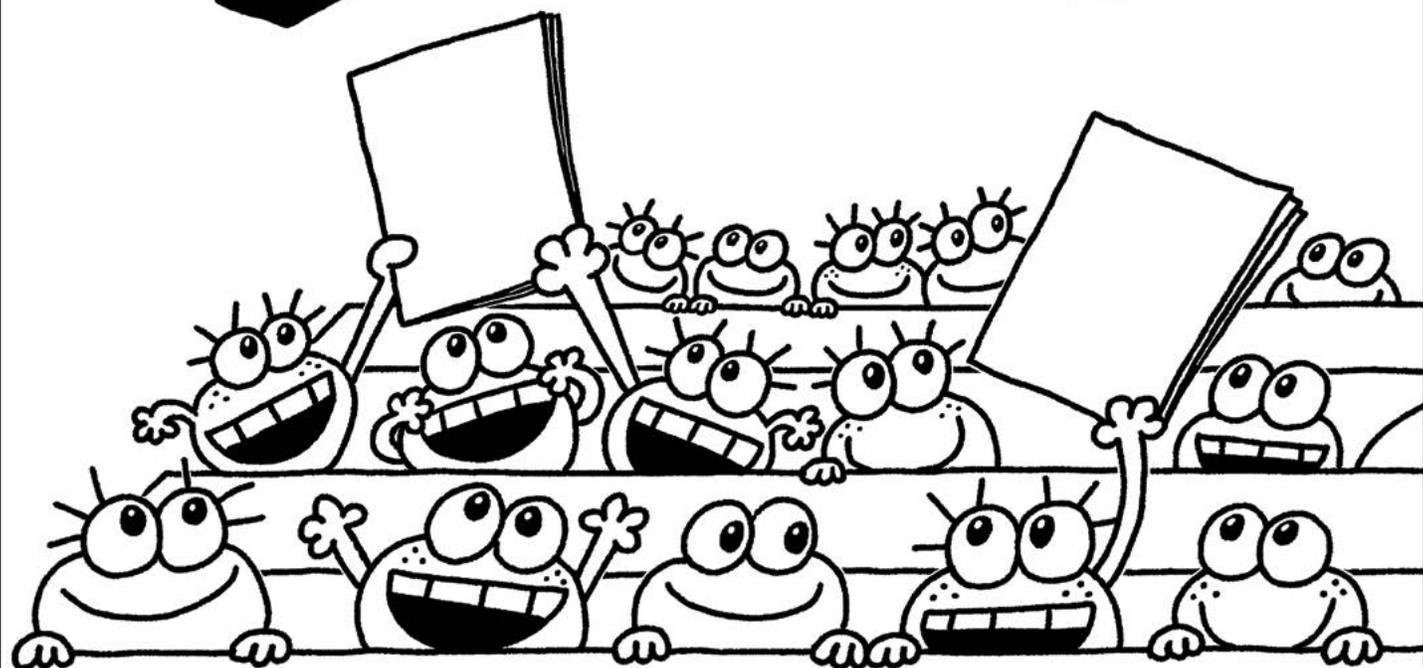

eats	and	friend	shiny	away
at	seagull	you	but	secretly
together	wing	rough	through	stars
because	it	jumps	too	never
ripple	soft	in	flower	her
the	giggles	tomorrow	whale	wrinkly
warm	over	between	me	glows
sees	brightly	spider	mysterious	toward
with	pickle	him	grows	a lot

BABY FROG HOPSCOTCH

How to play: First make your hopscotch board! You can make it on the sidewalk with chalk or inside on paper taped together or with masking tape—get creative!

Play Regular

Toss a small rock or marker into the first square. Hop over it and across all of the other squares and back. Pick up your rock & let your partner go. Now throw to spot 2 and do it again all the way to 10!

Speed Round!

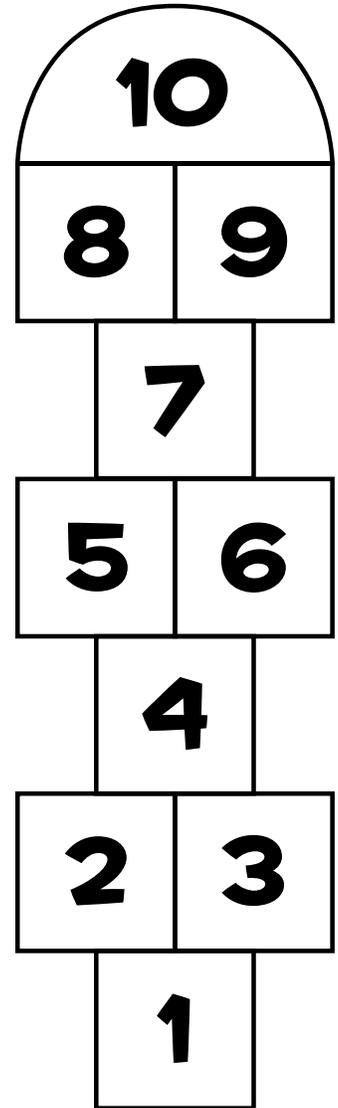

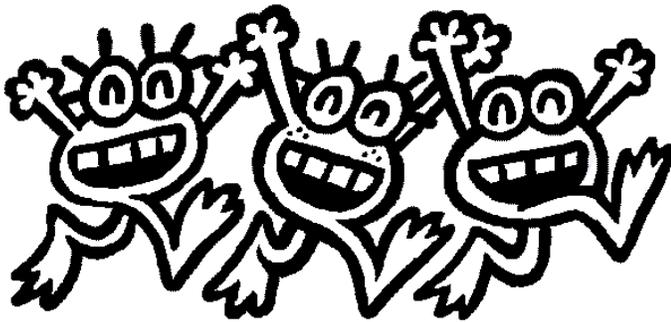

Set a 30 second timer—can you get to the end and back? Try it!

Let's Kick It!

After your first toss, kick your rock or marker to the next square before you jump and move all the way from 1-10!

Categories!

Give each square a category and then shout out something from that category when you jump on each square. Choose fun categories like animals, cities, pizza toppings, ice cream flavors, and more! Try not to repeat and see how many rounds you can do!
